PSD-PASY-17-18/05

Dear PSD Parents,

Welcome back to school!

Once again, on behalf of the School Administration, I would like to thank you for entrusting your children to Philippine School Doha. Hence, we would like to ask your kind understanding for what had happened on the first day of school. We open the school as per advice of the building contractor but there are circumstances beyond our control.

In this regard, to ensure the cooling power of each classroom and the balancing of air cooling system, the school management decides to suspend classes from Monday until Thursday (July 3-6, 2017). Classes will resume on Sunday, July 9, 2017. However, business as usual for those who have transaction in the Finance, Registrar's Office, and transport services.

Rest assured that the safety and comfort of your children are of paramount important to us.

Your kind understanding and consideration will be highly appreciated.

Truly yours,

SDG.
