11 June 2017

Dear Parents,

Greetings!

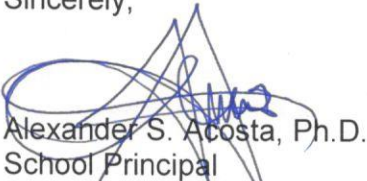

The School Management officially informs you that the opening of classes will be tentatively rescheduled on June 21, 2017 due to inevitable circumstances. Detailed reasons of such circumstances shall be properly explained during the parents' orientation. Please disseminate the information to some parents who may not be able to read this communication. Further details as to the resetting of schedule shall also be properly explained during parents' orientation. Your long wait for the school opening is really worth it as we are doing our best to provide quality education and state-of-the art facility for your children.

Kindly take note as well that there will be a possibility of a temporary morning and afternoon session in some levels if our newly hired teachers cannot catch up with the school opening due to untimely announcement of temporarily banning of deployment of workers for Qatar by the Department of Labor and Employment (DOLE) last week. Currently, our Labor Attaché is doing favorable action for our School to expedite the deployment of our teachers.

The School Management is asking for your kind consideration and understanding on this matter as there are other concerns that are not in our control.

Once again, thank you for entrusting your children under the care of Philippine School Doha.

Sincerely,

Alexander S. Acosta, Ph.D.
School Principal
